No. R. 4368—*Ft.* 22-03-3; *dated* 27*th January* 1911.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the schedule below, a State Forest, under the provisions of the said Regulation :—

SCHEDULE.

District	Taluk, hobli and village	Approximate area	Name of block	Situation and boundaries
Shimoga	Tirthahalli and Nagarmandagadde Agrahar and Kerehalli	10,627 acres and 11 guntas or 16 square miles, 387 acres and 11 guntas	Kumadvati	

Situation.

This block is situated to the east of Tirthahalli-Anantapur road.

BOUNDARIES.

North.—Starting from a point on the right bank of the Kumudvati river opposite to the tri-junction bandhs of Mugadthi, Malvalli and Talali of the Nagar Taluk, the line runs south for about 1 furlong and 5 chains through Survey No. 62 of Talali to the south-west corner of Survey No. 63 of the same village; then south-east for about 1 furlong and 4 chains through Survey No. 62 to the south-west corner of Survey No. 46; then along the south side of the same survey number to its southernmost corner, then south-east for about 3 furlongs through Survey No. 62 to the southernmost corner of Survey No. 48; then east along the southern side of the same survey number to its south-east corner; then east for about 2 furlongs and 6 chains through Survey Nos. 62 and 37 to the south-west corner of Survey No. 41; then along the southern side of the same survey number to its southernmost corner; then east for about 3 furlongs and 2 chains through Survey Nos. 37 and 31 to the south-west corner of Survey No. 33; then along the southern side of the same number to its south-east corner; then north-east for about 2 furlongs and 1 chain through Survey No. 31 to the south-east corner of Survey No. 65; then along the eastern side of the same survey number to its north-east corner; then north-west for about 1 furlong through Survey No. 31 to the north-east corner of Survey No. 32, then in the same direction for about 3 furlongs and 1 chain through Survey No. 31 to the north-west corner of Survey No. 10 (tank); then north for about 4 furlongs and 9 chains through Survey No. 31 to the tri-junction bandhs of Haramballi, Tamadihalli and Talali; then along the southern side of Tamadihalli to the north-west corner of Survey No. 38 (tank) of Kalase village.

East.—Thence the line runs along the western side of Survey No. 38 of Kalase to its south-west corner; then along the western side of Survey Nos. 39 and 65 to the south-west corner of the latter survey number; then along the northern side of Survey Nos. 36 and 35 to the north-west corner of the latter survey number; then south-west for about 7 chains through Survey No. 37 to the north-west corner of Survey No. 34; then along the western side of the same survey number to its south-west corner; then east for about 5 furlongs and 5 chains through Survey Nos. 37 and 32 to the south-west corner of Survey No. 33; then south for about 3 furlongs and 5 chains through Survey Nos. 32 and 21 to the south-west corner of Survey No. 20; then along the western side of Survey Nos. 19 and 22 to the westernmost corner of the latter survey number; then south-west for about 2 furlongs through Survey No. 21 to the north-west corner of Survey No. 23; then along the western side of the same survey number to its south-west corner; then north-east for about 6 furlongs through Survey No. 24 to the south-east corner of Survey No. 8; then south-west for about 3 furlongs and 3 chains along the boundary between Kalase and Bellur to the tri-junction bandhs of the said villages and mashani where it meets the Hanagere demarcation line; then in the same direction for about 5 furlongs on the boundary between Maskani and Kalase to the south-west corner of Survey No. 30 of Maskani; then north-west for about 5 furlongs and 4 chains along the boundary between Maskani and Kalase to the quadro-junction bandhs of Kalase, Kagachi, Vedahosahalli and Maskani where the Hanagere forest demarcation line starts; then south for about 3 furlongs and 3 chains along the common boundary of Maskani and Vadahosahalli; then south-west for about 1 furlong and 7 chains along the common boundary of the above two villages; then south for about 2 furlongs and 5 chains along the common boundary of the same villages to the south-west corner of Survey No. 42 of Maskani; then in the same direction for about 5 furlongs and 4 chains along the common boundary of the same two villages to the south-west corner of Survey No. 12 of Maskani; then south-west for about 5 chains along the common boundary of the two villages to the tri-junction bandhs of Vadahosahalli, Maskani and Vatigar; then south for about 4 furlongs on the western boundary of Survey No. 44 of Maskani to its south-west corner; then south-east for about 2 furlongs and 5 chains along the boundary between Maskani and Vatigar to the tri-junction bandhs of Maskani, Dobile and Vatigar; then south-east for about 3 furlongs and 8 chains along the boundary of Vatigar and Dobile to the tri-junction bandhs of the said two villages and Yogamalali; then in the same direction for about 4 furlongs and 9 chains along the boundary of Yogamalali and Dobile to the north-west corner of Survey No. 14 of the latter village; then along the western boundary of the same survey number to its south-west corner where it leaves the Hanagere State Forest demarcation line; then south-west for about

4 furlongs and 7 chains through Survey No. 26 of Yogamalali to the north-east corner of Survey No. 25; then along the north side of the same survey number to its north-west corner; then south-west for about 1 furlong and 1 chain through Survey No. 26 to the north-east corner of Survey No. 23; then along the northern side of the same survey number to its north-west corner; then south for about 6 furlongs and 5 chains through Survey Nos. 26 and 27 to the south-west corner of Survey No. 7; then along the western side of Survey No. 6 to its south-west corner; then south-east for about 2 furlongs and 2 chains through Survey No. 27 to the south-west corner of Survey No. 37; then along the southern side of the same survey number to its south-east corner then north-east for about 1 furlong and 7 chains through Survey No. 36 to the south-east corner of Survey No. 38; then south-east for about 4 furlongs and 5 chains through Survey No. 36 to the south-west corner of Survey No. 54; then along the north-western side of Survey No. 18 of Adensera to the north-east corner of Survey No. 16 of the same village; then south-west for about [illegible] furlongs and 7 chains through Survey No. 36 of Yogamalali to the north-east corner of Survey No. 34; then along the north side of the same survey number to its north-west corner; then south for about 1 mile and 2 furlongs and 7 chains through Survey No. 36 of Yogamalali, 17 of Adinsera and 32 and 41 of Mallapur to the north-west corner of Survey No. 40 of the last named village; then along the north and west sides of Survey No. 39 to its westernmost corner; then south-west for about 1 furlong and 3 chains through Survey No. 41 to the north-west corner of Survey No. 38; then along the western side of the same survey number to its south-west corner; then south-east for about 4 furlongs through Survey No. 41 of Mallapur and 162 of Triambakapur to the north-east corner of Survey No. 123 of the latter village.

South.—Thence the line runs in a north-westerly direction for about 2 furlongs and 4 chains through Survey No. 162 of Triambakapur to the north-west corner of Survey No. 127; then along the northern side of Survey Nos. 143, 144, 145, 146 and 147 to the north-west corner of the last named survey number then south-west for about 7 furlongs through Survey No. 162 to the north-west corner of Survey No. 160 of the same village.

West.—Thence the line runs north-west for about 1 furlong and 8 chains through Survey No. 53 of Akalapur to the north-east corner of Survey No. 1 of the same village; then north-east for about 1 furlong and 7 chains through Survey No. 53 to the south-west corner of Survey No. 20 (tank); then along the southern side of the same survey number to its south-east corner; then east for about 2 furlongs and 1 chain through Survey No. 53 to the southernmost corner of Survey No. 32; then north-east for about 5 furlongs and 7 chains through Survey No. 53 to the south-west corner of Survey No. 46; then along the southern side of the same survey number to its south-east corner; then in a north-easterly direction for about 1 furlong and 9 chains through Survey No. 53 to the south-east corner of Survey No. 51; then along the eastern side of the same survey number to its north-east corner; then north-west for about 3 furlongs and 7 chains through Survey Nos. 53 and 84 to the north-east corner of Survey No. 118; then in the same direction for about 1 furlong and 2 chains through Survey No. 84 to the north-east corner of Survey No. 113; then again in the same direction for about 4 furlongs and 4 chains through Survey No. 84 of Akalapur and 54 of Demalapur to the south-east corner of Survey No. 89 of the latter village; then on the eastern side of the same survey number to its north-east corner; then north-west for about 5 furlongs through Survey Nos. 54 and 94 of Demalapur and 5 of Toribile to the south-east corner of Survey No. 8 of the latter village; then along the eastern side of the same survey number to its easternmost corner; then north-west for about 2 chains through Survey No. 5 to the north-east corner of Survey No. 8; then along the northern side of the same survey number to its north-west corner; then in the same direction for about 6 furlongs and 2 chains through Survey Nos. 20 and 25 to the south-west corner of Survey No. 23; then along the southern side of the same survey number to its south-east corners, then north-east for about 2 furlongs and 3 chains through Survey No. 25 to the south-east corner of Survey No. 24; then along the eastern side of the same survey number to its north-east corner; then north-west for about 3 furlongs and 5 chains through Survey Nos. 25 and 45 of Toribile to the easternmost corner of Survey No. 47; then north-east for about 2 furlongs and 6 chains through Survey Nos. 45 of Toribile and 12 of Alur to the south-east corner of Survey No. 11 of the latter village; then north-east for about 2 furlongs and 4 chains through Survey No. 12 to the south-east corner of Survey No. 31; then in the same direction for about 2 furlongs through Survey No. 30 to the south-east corner of Survey No. 29; then along the east and the south sides of Survey Nos. 29 and 28 to the south-east corner of the latter survey number; then along the eastern side of Survey Nos. 28 and 26 to the north-east corner of the latter survey number; then north-west for about 5 furlongs and 5 chains through Survey Nos. 43 and 21 to the south-east corner of Survey No. 16; then along the eastern side of the same survey number; to its north-east corner; then along the northern side of the same survey number to its north-west corner; then south-west for about 4 furlongs and 2 chains through Survey Nos. 21 of Alur and 13 of Huthalli to the north-east corner of Survey No. 7 of the latter village; then north for about 2 furlongs and 5 chains through Survey No. 13 to the north-east corner of Survey No. 5; then west for about 8 chains through Survey No. 13 to the north-east corner of Survey No. 4; then north for about 2 furlongs and 1 chain through Survey Nos. 13 of Huthalli of the Tirthahalli Taluk and 10 of Bidarahalli of Nagar Taluk to the south-east corner of Survey No. 11 (tank) of the latter village; then along the eastern side of the same survey number to its north-east corner; then north for about 3 furlongs and 8 chains through Survey No. 9 to the north-east corner of Survey No. 5; then north-west for about 6 furlongs and

1 chain through Survey Nos. 9 and 41 to the south-east corner of Survey No. 72; then north-east for about 1 mile and 3 chains through Survey Nos. 67, 62, 61 and again 67 to the southernmost corner of Survey No. 48; then in the same direction for about 5 chains through Survey No. 67 to the south-east corner of Survey No. 48; then north-east for about 1 furlong and 6 chains through Survey No. 67 to the north-east corner of Survey No. 47; then north-west for about 3 furlongs and 7 chains through Survey No. 46 to the northernmost corner of Survey No. 53; then north-east for about 2 furlongs through Survey Nos. 46 of Bidarahalli and 8 of Kallur to the south-east corner of Survey No. 23 of the latter village; then along the eastern side of the same survey number to its easternmost corner; then north-west for about 5 furlongs and 6 chains through Survey No. 8 to the north-east corner of Survey No. 9; then in the same direction for about 4 furlongs through Survey No. 8 to the north-east corner of Survey No. 7; then along the northern side of the same survey number to its north-west corner; then west for about 2 chains through Survey No. 8 to the right bank of the Kumudvati river; then along the right bank of the said river to the starting point.

The following villages are treated as enclosures :—

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section, to appoint Mr. C. Venkata Rao to be the Forest Settlement Officer, who shall inquire into and determine the existence, nature and extent of any rights claimed by, or alleged to exist in favor of, any person in or over land comprised within such limits, or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation, and the District Forest Officer of the Shimoga District, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore are further pleased, under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Shimoga District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under Sections 10, 11, 12, 13 or 14 of the Regulation.

No. R. 4361—*Ft.* 32-08-3, *dated* 27*th January* 1911.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the schedule below, a State Forest, under the provisions of the said Regulation :—

SCHEDULE.

District	Taluk, hobli and village	Approximate area	Name of block	Situation and boundaries
Shimoga	Nagar, Humcha and Kerehalli	9,788 acres and 39 guntas or 15 square miles, 188 acres and 39 guntas	Haridravati	*Situation.* The block is situated to the south of the Haridravati river and extends on both sides of Shimoga Kallurkatte road. BOUNDARIES. *North.*—Starting from the tri-junction bandhs of Muthavalli, Nanjavalli, Heremai, etc., the line runs along the left bank of the Haridravati river towards its source to the north-east corner of Survey No. 3 of Bilake on the said bank of the river Haridravati.

East.—Thence the line runs south-west for about 3 furlongs through Survey No. 1 of Bilake to the north-west corner of Survey No. 2 of the same village touching the northernmost corner of the same survey number; then along the western side of the same survey number to its south-west corner; then south-east for about 3 furlongs through Survey No. 4 to the south-west corner of Survey No. 6, then in the same direction for about 2 furlongs and 5 chains through Survey No. 4 to the north-western corner of Survey No. 8; then south-west for about 3 furlongs and 3 chains through Survey Nos. 4 of Bilake, 33 and 28 of Tariga to the south-west corner of Survey No. 27 of the latter village; then in the same direction for about 2 furlongs and 2 chains through Survey Nos. 28 and 23 to the north-west corner of Survey No. 22; then along the western side of the same survey number to its south-west corner; then south-west for about 4 furlongs and 5 chains through Survey Nos. 23 and 17 to the south-west corner of Survey No. 16; then south-east for about 2 furlongs and 3 chains through Survey No. 17 to the south-west corner of Survey No. 12; then in the same direction for about 3 furlongs and 4 chains through Survey No. 17 to the north-west corner of Survey No. 5, then south for about 5 furlongs through Survey Nos. 17 and 41 of Tariga to the north-west corner of Survey No. 35 of the same village; then along the western side of Survey Nos. 35 and 36 to the south-west corner of the latter survey number; then south-east for about 4 furlongs and 4 chains through Survey No. 41 to the tri-junction bandhs of the said village, Karagarasu and Jambavalli, then along the northern boundary of Survey No. 24 to its north-west corner; then east through the same survey number for about 2 furlongs to the north-west corner of Survey No. 30; then south along its western side to its south-west corner; then east along the south of Survey Nos. 30, 29 and 28 to the south-east corner of the last named survey number; then north-east along its eastern side to its north-east corner; then south-east through Survey No. 24 for about 4 furlongs to the tri-junction bandhs of Karagarasu, Halandur and Malalikoppa; then south-west for about 4 furlongs and 2 chains through Survey No. 35 of Malalikoppa to the north-west corner of Survey No. 36 of the same village; then in the same direction for about 5 furlongs and 2 chains through Survey Nos. 35 and 28 to the north-west corner of Survey No. 29; then along the western side of the same survey number to its westernmost corner; then south-west for about 3 furlongs and 9 chains through Survey No. 28 to the north-west corner of Survey No. 27.

South.—Thence the line runs west for about 7 furlongs through Survey Nos. 28 of Malalikoppa, 51 of Huncha and 6 of Doddakunnur and 30 of Malur to the north-east corner of Survey No. 31 of the latter village; then along the north side of Survey Nos. 31 and 32 to the north-west corner of the latter survey number; then west for about 4 furlongs through Survey Nos. 30 and 38 to the north-west corner of Survey No. 8; then north-west for about 2 furlongs through Survey No. 9 to the north-west corner of Survey No. 10; then west for about 5 furlongs along the northern side of Survey No. 41 and through Survey No. 53; then along the northern side of Survey Nos. 54 and 52 to the north-west corner of the latter survey number.

West.—Thence the line runs north-east for about 6 furlongs and 8 chains through Survey Nos. 53 and 95 of Malur to the south-east corner of Survey No. 58 of the same village; then east for about 6 furlongs through Survey Nos. 95 of Malur, 17 of Chikkunnur and 5 of Doddakunnur to the south-east corner of Survey No. 3 of the latter village; then north-east for about 3 furlongs and 5 chains through Survey No. 5 of Doddakunnur to the easternmost corner of Survey No. 1; then north for about 4 furlongs and 2 chains through Survey Nos. 5 and 11 to the north-east corner of Survey No. 12; then north-east, 3 furlongs and 5 chains through Survey No. 11 to the south-east corner of Survey No. 10; then north for about 1 furlong and 5 chains through Survey Nos. 11 and 15 to the north-east corner of Survey No. 7, then north-west for about 2 furlongs and 6 chains through Survey No. 15 to the northernmost corner of Survey No. 19; then west for about 3 furlongs and 2 chains through Survey No. 15 to the north-west corner of Survey No. 17; then north-east for about 2 furlongs through Survey No. 1 of Yalagalli to the south-east corner of Survey No. 15 of the same village; then along the eastern side of the same survey number to its easternmost corner; then north-west for about 2 furlongs and 4 chains through Survey No. 1 to the south-east corner of Survey No. 2, then along the eastern side of the same survey number to its north-east corner; then north-west for about 3 furlongs and 8 chains through Survey Nos. 1 of Yalagalli and 24 of Kusgandi to the northernmost corner of Survey No. 29 of the latter village; then west for about 5 furlongs and 3 chains through Survey Nos. 24 and 15 to the northernmost corner of Survey No. 16; then north-west for about 5 furlongs through Survey No. 15 to the north-west corner of Survey No. 19; then south-west for about 1 furlong and 6 chains through Survey No. 15 to the south-east corner of Survey No. 57 of Kodur; then along the eastern side of Survey No. 57 to the tri-junction bandhs of Kodur, Kusgandi and Hosakesare; then along the eastern side of Survey No. 24 of Hosakesare to the tri-junction bandhs of the said village, Kusgandi and Karki; then south-east for about 7 furlongs and 5 chains through Survey No. 31 of Karki to the south-east corner of Survey No. 30 of the same village; then north-east for about 1 mile, 3 furlongs and 5 chains through Survey Nos. 31, 13 and 7 of Karki to the quadra-junction bandhs of the said village; Muthala, Heremai and Chikjenni; then along the eastern side of Survey Nos. 29, 31, 32, 33 and 38 of Muthala to the starting point.

The following villages are treated as enclosure in the forest :—

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section, to appoint Mr. C. Venkata Rao to be the Forest Settlement Officer, who shall inquire into and determine the existence, nature and extent of any rights claimed by, or alleged to exist in favor of, any person in or over land comprised within such limits, or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation; and the District Forest Officer of the Shimoga District, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore are further pleased, under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Shimoga District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under Sections 10, 11, 12, 13 or 14 of the Regulation.

C
